YMCA BRIGHT BEGINNINGS VOLUNTEER EXPECTATIONS

By signing up to be a volunteer, you agree to abide by the following standards to ensure the safety of all of our students and volunteers.

- To be paired with a student, you must have signed up in advance and indicated on the form that you want to be paired with a student. We attempt to assign female/female, male/male pairs or in some cases we use volunteer couples. If you did not sign up in advance, we can use your help with another volunteer job.
- Remain outside the private changing area of the dressing room at all times. Have the student come out of the private changing room into the common area after trying on clothes to show you how well they fit.
- Do not touch the student while he or she is trying on clothes. To ensure their new clothes fit well, demonstrate how to check for fit rather than touching the child. For example, pull on your own personal waistband and ask questions like, "is it too loose here?"
- After shopping, wait in the store until Y staff directs everyone to dismiss.
- Do not exchange personal information with a child or post pictures of children on your personal social media pages. You may, however, share posts from official Y pages (the branch, association, or staff and volunteers pages).

YMCA BRIGHT BEGINNINGS FAQ'S

How are the students chosen?

Students are chosen from local Elementary Schools by faculty members based on financial need.

What's the format for the day?

Volunteers will arrive at 5:30pm. Students will arrive around 6:00pm. Try to get to know your student as soon as you are paired. Your shopping time will be from 6:00pm to 8:00pm. As you complete your shopping experience, there will be bagged dinner for the children and their parent/guardian. There will be designated registers for us to check out. YMCA staff will be stationed at the registers to assist with "bagging" and name labeling the purchases. Y staff will make sure the parents get the purchases.

How will I know what sizes to get?

Each student will have an information sheet with all of the size, color choices, uniform colors if applicable and other pertinent information.

When will I receive the Belk gift card?

You will be given the gift card at the volunteer registration table.

If I want to donate supplies or sponsor a child, where can I do that?

We will have a donation box at the Y in June and July for backpacks and school supplies. You may make a monetary donation to the program at the Y or mail a check to the Y at 315 1st Ave NW, Suite 104 Hickory, NC 28601 in care of Lindsay Hardaway. All checks made payable to the YMCA of Catawba Valley identified for the Bright Beginnings Program.
